Community Engagement

DAVID WOOD PLAYING FIELDS PLAYSPACE UPGRADE

Wingecarribee Shire Council has an exciting new upgrade planned for David Wood Playing Fields Playspace in East Bowral.

This project will be funded by Wingecarribee Shire Council, in partnership with local community group The 4K who strive to provide a significantly better environment within Southern Highlands for kids with special needs.

Also contributing to this project is the Retford Park Voluntary Planning Agreement, which consists of \$200,000 to assist in the

'embellishment of David Wood Playing Fields and playground improvement'.

Council has engaged *Creative Recreation Solutions* to prepare a draft concept design for the new and improved playspace which we would now like to share with you. This proposed design provides a unique outdoor play space and recreational facility for the whole family to enjoy.

The design has been prepared such that it does not impact on the area that is currently subject to an agreement for lease.

Located in a central location, the new adventure playground is specifically designed to provide a wide range of play opportunities that cater for all ages and abilities.

To view the draft concept design and to provide feedback, visit Council's online consultation hub, *Your Say Wingecarribee* by clicking [here](#).

A copy of the concept design, location plan and proposed equipment can be found in the document library by clicking [here](#).

Council staff will be holding a Drop-in session at the David Wood Playing Fields on **Wednesday 12 October 3 pm to 4.30 pm**. We would like to invite you along to chat with Council representatives, view the draft concept design and provide your feedback.

Feedback can be provided via the online consultation hub, email mail@wsc.nsw.gov.au or write to Wingecarribee Shire Council, PO Box 141, Moss Vale 2577.

Feedback closes 4.30 pm Friday 14 October 2022.

COLO VALE VILLAGE IMPROVEMENTS

Council is committed to continuously improving our performance and how we deliver services to our community.

As a past or current hirer, we would like to hear your views about Council's halls and community centres.

The purpose of this survey is to gather data on how well our halls and community centres are utilised, ease of use of Council's booking system and the standard of facilities, to enable Council to streamline and improve its processes.

If you have hired one of our facilities before, we would appreciate you taking the time to complete this short survey as your feedback is important to us.

Together with your help, we can continue to make our halls and community centres a place where the community engage in social, cultural, recreational and educational activities.

Access the survey by clicking [here](#).

The survey will close 4.30 pm Monday 17 October 2022.

SUPPORT FOR FIRE IMPACTED BUSINESSES IN BOWRAL

At its meeting on 20 July 2022 Council considered a report to waive fees for outdoor dining and product display for business adjacent to the site of the building fire on the corner of Bong Bong Street and Wingecarribee Street Bowral.

Businesses adversely impacted by the fire and temporary security of the development site have sought assistance from Council which is responding with this initiative to waive outdoor dining and product display fees. There are currently no active licenses for the relevant businesses. If fees are waived, future use of the footway would represent income foregone

to Council of approximately \$52.40 per annum per square metre.

Council is now undertaking a 28 day public notification period.

For further information and to make a submission visit *Your Say Wingecarribee* by clicking [here](#).

Community are also welcome to provide feedback via email mail@wsc.nsw.gov.au or write to Wingecarribee Shire Council, PO Box 141, Moss Vale 2577.

Submissions close 4.30 pm Friday 14 October 2022.

FOCUS GROUPS PARTICIPATION: CALL FOR EXPRESSIONS OF INTEREST

Council is running a series of Community Focus Groups in October 2022. In these sessions we will consider 'what's changed in the Shire' over the past 5 years.

We are seeking expressions of interest from people across the Shire to participate in the conversation.

Council is currently updating the Wingecarribee Community Strategic Plan '[Wingecarribee 2031; Our Future, Our Choice](#)', which considers the goals and aspirations of the community and how, together, we can achieve them.

The Plan undergoes a comprehensive update every four years with the next review due in 2024 when we welcome a new Council. A lot has changed since the Plan was last updated, so a 'refresh' of the current Plan will be undertaken this year to ensure it is reflective of current, new and emerging issues and priorities.

As part of the update, Council will also be reviewing its [Community Engagement Strategy](#) and would like to know more about how the community would like to be engaged in the future.

There will be 3 general participation Focus Groups open to all members of the community. A light meal will be provided for all Focus Groups.

For further details and to register your interest, please visit the *Your Say Wingecarribee* page by clicking [here](#).

Please register your interest by **Sunday 9 October 2022**.
