NOTICE OF PUBLIC RE-EXHIBITION – ROCHESTER PARK PLANNING PROPOSAL

On 14 August 2019 Council resolved to proceed with a Planning Proposal to amend the Wingecarribee Local Environmental Plan (WLEP) 2010 by adding land at 102-104 Old Wingello Road, Bundanoon (Lot 32 DP 1205423) as a new heritage item and increasing the applicable minimum lot size controls. The intent of the proposed change to the WLEP 2010 is to recognise the heritage significance of the property known as 'Rochester Park' by adding it to the list of heritage items in Schedule 5 and to prevent further subdivision of the site by increasing the minimum lot size from 700m² to 1 hectare.

On 17 September 2020 the NSW Department of Planning, Industry & Environment issued a Gateway Determination to progress the Planning Proposal to public exhibition. The Planning Proposal was exhibited in October and November 2020 but following discovery of an omission from the exhibited version of the Planning Proposal, it is being re-exhibited in accordance with the Gateway requirements and submissions are sought from the community.

EXHIBITION DATES: The Planning Proposal is on public re-exhibition from **Wednesday 18 November to Wednesday 20 January 2021**, inclusive.

LEARN MORE: The Planning Proposal and associated documentation may be viewed under "Planning Exhibitions" on the Your Say Wingecarribee website at www.yoursaywingecarribee.com.au/planning. A hard copy of the documents can also be viewed at Council's Customer Service Counter at the Civic Centre (address below) between 9am and 4pm Monday to Friday during the exhibition period.

MAKE A SUBMISSION: Written submissions to the Planning Proposal may be completed online using the link provided at www.yoursaywingecarribee.com.au/planning, hand delivered to the Civic Centre, or emailed or posted to Council (addresses below). All submissions previously received will be regarded as a submission to this exhibition. However, persons who made a submission to the previous public exhibition are welcome to re-submit a submission or lodge a new submission to this exhibition.

Only written submissions can be considered and, although they may be viewed by a third party, they are redacted beforehand (i.e. all identifying features removed).

All submissions must be received by Council before **4.30pm on Wednesday 20 January 2021** and quote file reference 5901/69.
