

COMMUNITY UPDATE | 6 April 2023

Shaping our Shire together

Thankyou to the 32 residents selected to join our Community Reference Panel at last month's Council Meeting. We appreciate the time and input you're investing for our community.

In December last year expressions of interest were called for community representatives with a strong affiliation to the Shire, and expertise related to one of four categories: *Climate Change and Environment, Community, Sport, Recreation and Leisure or Economy*, to participate in our new Community Reference Panels.

Four, strategically focused panels will guide Council's decision-making and strategies, in-line with our Community Strategic Plan. The first meetings will be held at our Moss Vale Civic Centre on Thursday 20 April.

"This is a hands-on opportunity for locals to inform the direction of Council's strategies, so we sought a broad representation of age, gender and expertise," said Council's Director Corporate Strategy and Resourcing, Carmel Foster.

Additionally, three representatives from government and non-government agencies will be invited to join the panel.
