### LOCAL GOVERNMENT ACT 1993 - SECT 53

#### The council's land register

#### 53 The council's land register

(1) A council is required to keep a register of all land vested in it or under its control.

(2) The register must include the following:

- the name (if any) by which the land is known
- the address or location of the land
- the reference to title of the land
- the name of the owner of the land
- whether or not the land is Crown land
- the classification under this Part of the land
- whether or not there is a plan of management for the land
- the zoning (if any) of the land under an environmental planning instrument
- particulars of any agreement (including any lease or licence) entered into by the council with respect to the land.
