

Council Meeting 30th October

Mayor, Councillors and Council staff thank you for the opportunity to speak today on behalf of Moss Vale Matters Say No To Plasrefine and a number of adjacent landholders.

Our community's opposition to this SSD proposal is abundantly clear and evidenced by the number of community members that have registered to speak at the two face-to-face and one online IPC meetings.

Many hundreds of people have engaged with the no' campaign and I'd like to thank everyone who has done so on behalf of a better and brighter Southern Highlands.

We thank Council staff and our newly - elected Mayor and Councillors for using their voices to also reject this SSD proposal.

We absolutely support Council officers' recommendations 1-4 and agree in principle to recommendation 5, pending more information about what this would entail.

My thanks again for inviting me to speak today and to the other members of our community who have joined me today.
